## IVYBRIDGE WELCOMES WALKERS!

The friendly face of Ivybridge.

The Ivybridge Walking Club and Forum are pleased to announce that our town has been awarded the accolade of a Walkers are Welcome Town status.

Ivybridge joins a national network of like-minded communities. Achieving this award will bring useful benefits to walkers, local residents and the business community.

This award highlights continued maintenance of public footpaths, our way-marked local trails and easy access to our town by public transport. Ivybridge has an enviable position as Gateway to the Moors and the beautiful South Hams countryside.
